

Township of Lower Makefield

2021 FINAL BUDGET

Approved December 16, 2020

Township of Lower Makefield

November 13, 2020

TO: BOARD OF SUPERVISORS
FROM: KURT M. FERGUSON, TOWNSHIP MANAGER
RE: PRELIMINARY BUDGET- UPDATE

Since the Manager's Recommended budget presentation, I wanted to provide several updates that have been added to our 2021 budget. Those updates are as follows:

2020 Revenues

	<u>Mgr. Budget</u>	<u>Update</u>
01-310-100 (Real Estate Transfer Tax) (Page 2)	\$1,297,586	\$1,321,887

2021 Expenditures General Fund

01-407-300 I.T. Contracted Services (Page 9)	\$219,388	\$221,744
2020 Year end fund balance	\$4,105,862	\$4,130,863
2021 Year end fund balance	\$2,562,607	\$2,584,552

2021 Fire Fund

03-411-530 Yardley Makefield Contribution	\$355,000	\$360,000
---	-----------	-----------

Other items:

Culvert on South Drive over Silver Creek

Andy will provide a report outlining the condition of the structure. We believe this has a limited life span and are estimating costs (construction and engineering) at \$200,000.

Township of Lower Makefield

October 23, 2020

TO: BOARD OF SUPERVISORS
FROM: KURT M. FERGUSON, TOWNSHIP MANAGER
RE: 2021 MANAGER'S RECOMMENDED BUDGET

In anticipation of our October 28, 2020 budget meeting, I respectfully submit the Manager's 2021 recommended budget for your review.

The 2021 Manager's budget includes no millage increases or sewer rate increases recommendations.

I have also included the same schedules from our 2020 budget including; a history and 2021 listing of the Township's assessed value, our debt service schedule, a capital outlay presentation, our lease and contracted service expenses, our 2021 roadway maintenance listing, our property and liability insurance outline, and our worker's compensation premium overview.

This budget does not recommend significant new capital spending. Most items are carry-overs from our 2020 budget, and many have a grant component to lower the overall cost to local taxpayers.

As has been presented throughout the year, we administered stringent controls in scaling back spending throughout the year, which has improved our overall numbers despite the significant financial challenges we had to address throughout the year.

General Fund

The first fourteen (14) pages of the budget represent the General fund. The 2021 general fund millage is being recommended to remain at 13.88 mills.

We are estimating our 2020-year end fund balance of \$4,105,862. This robust number reflects what will be a \$3,000,000 deposit on our sewer system to be paid to the Township by December 15th. This amount is significant because our budgeted 2021-year end fund balance amount is \$2,562,607. Absent that \$3,000,000 deposit we would be facing a 2021 underwater fund balance of about \$430,000 and the need for at least a 2+ millage increase to maintain a 5% fund balance.

As it stands now, our 4.1 million 2020-year end fund balance translates to about 31%, which begins to reestablish meeting the standard Moody's requires to maintain an Aa rating of ongoing 30-40% fund balances and should lead to the removal of the negative outlook currently assigned to the Township in the very near future.

Our general fund includes all staffing, except for Recreation, insurances, pension payments, non-public works capital expenditures, and most project related expenses.

Our 2021 new general fund expenditures list of non-staff related expenses is lean. This budget includes only two (2) police cruisers, vehicle electronic reporting software (\$13,000) and #35,000 to modify second floor rooms in the Township Building for the Police Department for offices and interview rooms.

There are other project related expenses (listed in Special Projects), but they are all carry overs from 2020. These include Big Oak Road signal and cross walk project, the community park trail, Sandy Run Road, and the Rt. 332 signal interconnect project.

Basin Inspections

Lower Makefield Township has approximately 116 basins located within its borders. Not all these basins are owned by the Township. Approximately eighty (80) of these are owned by the Township.

Inspection plan:

2020- 40 basins inspected

2021- 40 basins inspected

In 2021 we will focus and finalize the remaining 40 inspections on the areas classified as impaired by DEP. These inspections will be coordinated with our pollution reduction plan. We will examine opportunities to naturalize basins and plan (and inevitably budget) for other improvements as needed. We will begin budgeting for any improvements in 2021 (based on the 2020 inspections) and then continuing in 2022 and beyond.

We have budgeted \$70,000 for this process in 2021 (Budget #01-400-310, page 5)

In 2021 the General fund would need to assist both the golf course and the Pool. As will be discussed we are planning to open the pool, but with lower revenue expectations. Typically, I would rely on the Park and Recreation Fund to serve as the backstop for pool shortages and it did meet those shortfalls in 2020 with \$439,715. (page 24 – Budget #05-492-009). That Recreation fund is still self-sustaining, but depleted. As such I am recommending the General Fund provide \$180,283 (page 14 – Budget #01-492-009).

As a reminder, the cash position of the Township is approximately \$2,000,000 million dollars higher but cannot be placed into our fund balance number. That \$2,000,000, from a front-loaded cell tower lease must be brought into that fund balance over thirty-five (35) years at about \$57,000 annually. However, it should be noted that the recognition of that \$57,000 does not indicate that its being spent. That \$2,000,000 is sitting in an account, and any transfer of that money would be presented to the Board as a matter of public record as well as be reviewed by our independent auditors as part of our annual financial statement.

Parks and Recreation and Recreation Capital Reserve

The 2021 budget includes the Woodside Bike Path. This project cost is estimated (including engineering fees) is \$625,000. We currently have \$125,000 set aside as well as \$52,000 from a Greenway Grant. For the project to move forward we will require approval of a multi-modal grant in \$453,000. We should have notice of that grant early in 2021.

As a reminder, in 2019 we set aside \$250,000 for our Memorial Park Grant. That money was transferred in 2020 to offset Pool losses suffered because of the pandemic.

Park and Recreation Fund

The current millage for the Park and Recreation Fund (Page 21 of the budget) is 2.43 mills. There is no change being recommended.

The 2021 Recreation budget does recommend hiring a full-time laborer, bring the full-time field staff to five (5). The timing of that hire is budgeted for May 1st. This was proposed for 2020 but delayed to offset the losses we were addressing.

This group of employees is responsible for upkeep of 500 acres of parks, 25 miles of bike paths, the Pool, the Community Center, and Kids Kingdom. Oftentimes unnoticed is that these employees also work directly in events and activities for all leagues and clubs, the seniors at the Community Center, three (3) large annual community events, 156 recreation classes, 8-weeks of summer camp, and pavilion rentals.

With the opening of the community and dog park and with our program expansion it has become increasingly difficult to maintain all our facilities and programs in the manner we have come to expect. As such we are recommending the hiring of an additional laborer for the department.

The other item of note for the department are new commercial doors for the community center listed under budget #05-459-700, page 23. The \$25,000 expense is to install more appropriate doors than those completed initially when the facility was built. This was another 2020 item that we are carrying over to 2021.

Our 2021-year end fund balance is estimated at \$81,014 or approximately 4.9% of 2021 non-capital related expenditures. This allows for a fair amount of cover for unanticipated expenses and as a financial buffer if the pool ever runs short of expectations.

Pool

In 2020 the pool needed significant subsidy to break even. Despite the pool being closed certain fixed staff costs were applied. Even though that staff was repurposed, their costs were still so assigned. As such we will need to transfer \$439,715 in 2020 to offset those losses.

The plan is to open the pool in 2021. This may require some modifications for safety. The current budget estimates memberships to be at 80% and will require general fund assistance, estimated at \$180,283 to offset those shortfalls in 2021.

Typically, I would utilize the Park and Recreation Fund as the backstop for losses, but with a projected 2021 Park and Recreation fund balance of \$81,014, I have had to turn to the General Fund.

Road Machinery Fund

The Road Machinery fund is currently set at .30 mills with no change being recommended. We currently have three (3) pieces of equipment being financed (anywhere from 3 to 5 years) in this fund. An outline of those existing pieces of equipment can be seen on Schedule C and include; a street sweeper, 10-wheel dump truck and 5500 dump truck.

As part of the 2021 budget it is being recommended that we purchase, utilizing 36 months short term leasing, for the following items:

JCB 427 Wheel loader costing \$111,025

The wheel loader is utilized to load rock salt, yard waste and leaves. This wheel loader is much larger and can move much more material than a backhoe

JCB 3CX15 Backhoe costing \$106,127

The backhoe is utilized to dig for storm water repairs, loading salt, loading asphalt and cold patch. We use this piece of equipment year-round.

Dynapac Roller \$45,000

It is being this paving roller being purchase outright and will be utilized for road paving and other dirt compaction operations.

Golf Course

For 2021 I am budgeting for the Township to subsidize the golf course from the general fund \$289,120

The total golf course debt payment, as outlined on Schedule B, is \$1,039,311

In 2020, the township needed to provide \$615,606 to offset shortfalls because of the pandemic and our cutbacks accommodated that need. The sole capital improvement being presented are continued bunker upgrades on the course. The \$60,000 expenditure is listed in the budget in Fund #15-468-700 on page 40.

Special Projects

These all are carryovers; however, we are moving forward that these will be moving toward construction in early 2021. These include our Sandy Run roundabout project, the Big Oak/Makefield Road signal project, the Route 332 signal interconnection project, and the multi-use trail. These projects will be paid for primarily from grants and bond proceeds and not from General fund tax dollars.

Late last year the Township was notified, via an inspection report, from the Federal Railroad Administration that part of our quiet zone project (from a few years prior) would not pass inspection. The area in question is the Southern side of the Stony Hill Road crossing. The concern is that the median was built at 60 feet and not 100 feet as originally approved by the FRA. The inspector with the FRA had advised the Township to wait for the final letter to be issued. The pandemic seemed to cause a dramatic slowdown with that final letter, but we are budgeting \$500,000 because we understand that the final letter is forthcoming. That \$500,000 is a placeholder, coming from our bond proceeds, to create a 4-quadrant gate system at that site that would be compliant.

Debt Service

No additional millage is being recommended for the debt service fund, which is currently set at 2.79 mills. As recommended by our auditors we did move our police radio purchases over to the debt service fund. It has required assistance from the General Fund to offset the slight shortfall. In 2021 we will need to offset that shortfall with \$69,600. Those radios will be paid off in 2022.

Sewage Fund

The current sewage budget recommends no increase for 2021. As a reminder the sewage fund is an enterprise fund so there is a difference between the numbers you see as part of the budget and the cash position of the fund. It is currently shown that the 2019-year end cash position was -1.4 million dollars.

Even with the sale pending we are showing 2021 projects and will move forward early in the year with every project we can reasonably get done with an estimated close date in August/September of 2021.

For 2021 that breakout, which is shown in Supplement #4 of your budget, shows total costs associated with capital expenditures, I/I projects, and related consultant costs to be \$2,211,382. The updated 7-year plan, from 2021-2027, is outlined in Supplement #4.

The final summary of this presented budget is as follows:

Budget Revenues:

Our current overall millage is 21.01 mills with no increases being recommended across any of our funds.

Our current fees for the pool would stay the same

The sewage fund fees are being recommended to stay the same.

Notable Budget expenditures

Park and Recreation

One (1) additional staff member is being recommended. This Recreation Laborer position would be paid from the Park and Recreation Fund. This was approved for 2020, but was delayed to offset shortfalls in 2020.

Commercial doors for Community Center

General fund (capital reserve)

Two (2) marked police vehicles.

Vehicle Electronic Reporting Software.

Renovation of the Township second floor for police office space and interview rooms.

Special Projects

The 2020 project list is as follows:

- Sandy Run Road roundabout
- Big Oak signal upgrade and cross walks-This is being funded through an ARLE grant with no net cost to the Township
- Rt. 332 Signal interconnect- this is at no net cost the Township.
- Community Park Trail-This multi-use trail will be around Allen/Caiola/Stoddard Fields at a total net cost to the Township.
- 4 Quadrant gate crossing at Stony Hill

I look forward to presenting the budget to you on Wednesday night.

Recycle Yard - Drop Off Days Totals

Saturday, April 18, 2020, Drop Off Day

Total households	130
# households making single trip or drop off	78
# households making multiple trips	52

Breakout of the 52 households making multiple trips

2 trips/drop-offs	30 (households)
3 trips/drop-offs	17 (households)
4+ trips/drop-offs	5 (households)
	<hr/>
	52

Total trips/drop-offs for the day - 214

	Cars	Trips	Total
Single Trips	78	1 Each	78 trips
Multiple Trips	52	2+ Each	136 trips

As such we have 52 vehicles making multiple trips, which constitutes 40% of the total vehicles for the day which then make up 63.55% of the drop-offs for the day.

Collection Totals 800 cubic yards, which will grind down to approximately 400 cubic yards.

Costs 400 cubic yard @ 250 per cubic yard, removal = \$1,000

Staff 50.00 hours of overtime including payroll taxes and pension costs = \$2,750

Total direct costs for April 18, 2020 = \$3,750

Total new households served to date = 130

Total trips to date = 214

Makeup Day - Monday, May 4, 2020, Drop Off Day

Total households **88**

households making single trip or drop off 44

households making multiple trips 44

Breakout of the 44 households making multiple trips

	Engineering project costs	\$144,264
	Pump station reserve	\$140,000
	Treatment plant	\$3,720,000
	2027 total	\$5,109,829

2021-2027 cumulative total \$18,839,985

*Estimated at 50,000,000 over 20 years at 4.25%

Neshaminy Interceptor Service Area (I/I line items)

LMT owns approximately 210,717 linear feet of sanitary sewer mains and 1,250 manholes in the Neshaminy Interceptor (BCWSA) service area. The following is a break out of how much we can do each year using the annual I/I budget for the Neshaminy Interceptor:

TV Inspection- \$10,000 per year. This accounts for 2,857 linear feet of the system. This accounts for 1.3% of the entire system which has 210,717 linear feet.

Manhole Liners -\$15,000 per year. Lining these manholes costs about \$2,000 per liner and this allows us to line 7 to 8 per year

Spot lining/Repairs- \$175,000 per year. This amount allows to line approximately 1,750 linear feet of pipe per year. This amounts to 0.83% of the system per year (1,750/210,717).

Total-\$200,000 per year (adjusted annually for inflation)

Our current estimates indicate that roughly 25% of our system would need these type repairs or lining. That translates to a 30-year period, under this funding scenario, to complete that portion of the system.

Morrisville Municipal Authority Service Area (I/I line items)

LMT owns approximately 540,909 Linear feet of sanitary sewer mains (217,023 (Above Yardley) + 323,886 (Below Yardley) and 3,100 manholes in the Morrisville Municipal Authority service area. The following is a break out of how much we can do each year using the annual I/I budget for the MMA Service Area:

TV Inspection- \$15,000 per year. This accounts for 4,286 linear feet of the system. This accounts for 0.8% of the entire system which has 540,909 linear feet.

Manhole Liners -\$20,000 per year. Lining these manholes costs about \$2,000 per liner and this allows us to line 10 per year

Spot lining/Repairs- \$215,000 per year. This amount allows to line approximately 2,150 linear feet of pipe per year. This amounts to 0.40% of the system per year (2,150/540,909).

Total-\$250,000 per year (adjusted annually for inflation)

Our current estimates indicate that roughly 25% of our system would need these types of repairs or lining. That translates to a period of sixty-two (62) years, under this funding scenario, to complete that portion of the system.

Our 7-year plan outlines this same level of improvement each year. In all likelihood, especially in this MMA area, the amount of lining undertaken will need to be increased dramatically

Supplement #5
SEWER RATE COMPARISON
2020 QUARTERLY SEWER CHARGE COMPARISON

MUNICIPALITY	TOTAL ESTIMATED CUSTOMERS	14,000 GALLONS/ COST PER 1,000
