

LOWER MAKEFIELD TOWNSHIP

Parks & Recreation

2019 Road Tour Report

EXECUTIVE SUMMARY

The Parks and Recreation Department continued to diversify. This year we expanded our programming, doubled our facility reservations, added new events, started mailing our Community Guide, we added a township Pickleball club and we have upgraded some of our facilities.

The Community Center is now a hub of activity, we offer programs for people for all ages seven days a week. This summer we offered summer camp which had over 80 children registered, and we hired 12 staff. Campers spent time doing crafts and outdoor activities including an environmental study at 5-Mile woods, they went on several trips throughout the summer and ended each week with some time at The POOL at LMT.

This year we employed 132 summer hires to work at The POOL, Camp LMT and for field maintenance. We implemented a different training program this year, this included: team building, CPR/AED, First Aid, sexual harassment, reporting and abuse prevention, safety, customer service and job specific training. Staff also completed a more extensive background check and physical prior to their hire to ensure their safety and the safety of the residents.

After a fun filled summer with Camp, The POOL, programs and sports seasons, we will launch into special events season in the P&R department. We will start the season with Community Day on September 1, 2019. The season will progress into our 9/11 Memorial, Halloween Monster Mash, Howl-o-ween doggie costume party, Veterans Day Parade, and ending with our Holiday Party.

There are several projects we are considering as we move into the future, including updating the Schuyler tennis courts, creating a comprehensive trail maintenance plan, rehabbing the 5Mile Woods building, improving the red stone tipple at Memorial Park, and adding a pavilion at the LMT Dog Park.

Projects in progress:

- A grant application has been submitted for the Woodside Road bike path and we should hear more information this Fall.
- The design of the Community Trail project along Oxford Valley Road and Edgewood Road is progressing and construction will likely be complete in Spring of 2021.
- The Memorial Park expansion project will be rebid for a Fall bid opening and construction will be completed by Summer of 2020.

Please use this Parks and Recreation road tour report as an information resource of LMT Parks and Recreation's past, present and future assets.

FIVE MILE WOODS

298 Acres

1305

Big Oak Rd

- Purchased in 1979
- Nature center
- Ranger office
- Manor house
- 5 miles of nature trails
- Handicap accessible
- Gravel parking for 50 vehicles

Planned Improvements

- Renovate and rehab the nature center and improve bathrooms
- Pave the driveway
- Add additional programming and education for the public

This year we collaborated with Silver Lake Nature Center and they hosted a water testing for our campers learn what is in our watershed.

Watershed Workshops with Silver Lake Nature Center

Creek Study

Discover what's living in the water! From dragonflies to tadpoles, kids will use dip nets and other collection equipment to explore the many creatures who call the water home.

What to Know

SLNC will provide all materials.
We will be outdoors for the entire event.
Do not put on hand sanitizer. They will kill the water bugs.

The Silver Lake Nature Center inspires connections with nature for people of all ages, interests, and abilities through education, recreation, preservation, research, and advocacy.

Trails are open daily, from Sunrise to Sunset.
The Visitors' Building is open, Tuesday-Saturday, from 10am to 5pm AND Sundays, from Noon to 5pm.

1306 Bath Road Bristol PA 19007 215-785-1177 www.silverlakenaturecenter.org
