## FOOD SAFETY MANAGER CERTIFICATE

This is to certify that

Lynn Todd

Has successfully met the requirements as a Food Safety Manager as established in the Bucks County Department of Health Rules and Regulations For Conducting & Operating Food Facilities.

A Food Safety Manager certified by this Department must:

- 1) Be responsible for the supervision and instruction of his/her food sanitation workers in the techniques of sanitary food handling and proper maintenance of the food facility.
- 2) Notify this Department in writing within (5) working days after his/her change of food facility employment.
- 3) Renew this certification by completing the required course work prior to the expiration date listed on this certificate.
- 4) Report to this Department, if the owner is unavailable, the occurrence of any possible food or waterborne complaints/illnesses by customers and/or food safety workers.

This certificate is the property of this Department and can be suspended or revoked in accordance with the food regulations of the Department. It is granted to the person (not the facility) listed above and must be posted in the facility where he/she is employed.

This Certificate expires: 02/12/2023  
And is Non-transferable.

Certificate No 180599

David C. Damsker, MD, MPH

Director

Bucks County Department of Health

This Certificate MUST be posted in view of the general public.  
Certificate holder must renew this certificate prior to the expiration date. Failure to do so will remove your name as an active CFSSM in Bucks County.
