The sale of real property is governed by the Pennsylvania Second Class Township Code.

The [Second Class Township Code](#) - Real Property, Personal Property And Letting Contracts Act of Apr. 12, 2012, P.L. 234, No. 30 states:

Section 1503. Real Property.--(a) No real estate owned by the township having a value in excess of fifteen hundred dollars (\$1,500) may be sold except to the highest bidder after due notice by advertisement for bids or advertisement of a public auction in one newspaper of general circulation in the township. The advertisement shall be published once not less than ten days before the date set for the opening of bids or public auction, and the date for opening bids or public auction shall be announced in the advertisement. The award of contracts shall be made only by public announcement at a regular or special meeting of the board of supervisors or at the public auction. All bids shall be accepted on the condition that payment of the purchase price in full shall be made within sixty days of the acceptance of bids.

(b) The board of supervisors may reject all bids if the bids are deemed to be less than the fair market value of the property. In the case of a public auction, the board of supervisors may establish a minimum bid based on the fair market value of the real property.

(b.1) The board of supervisors may sell real property under the act of October 27, 1979 (P.L.241, No.78), entitled, as amended, "An act authorizing political subdivisions, municipality authorities and transportation authorities to enter into contracts for the purchase of goods and the sale of real and personal property where no bids are received," if no bids are received on real property after proper notices.
