VETERANS SQUARE

A timeless monument to honor veterans of the past, present, and future within a community park setting

Help make this a reality

Monument Designed by Brian Mann, Architect, the Omnia Group, Inc.

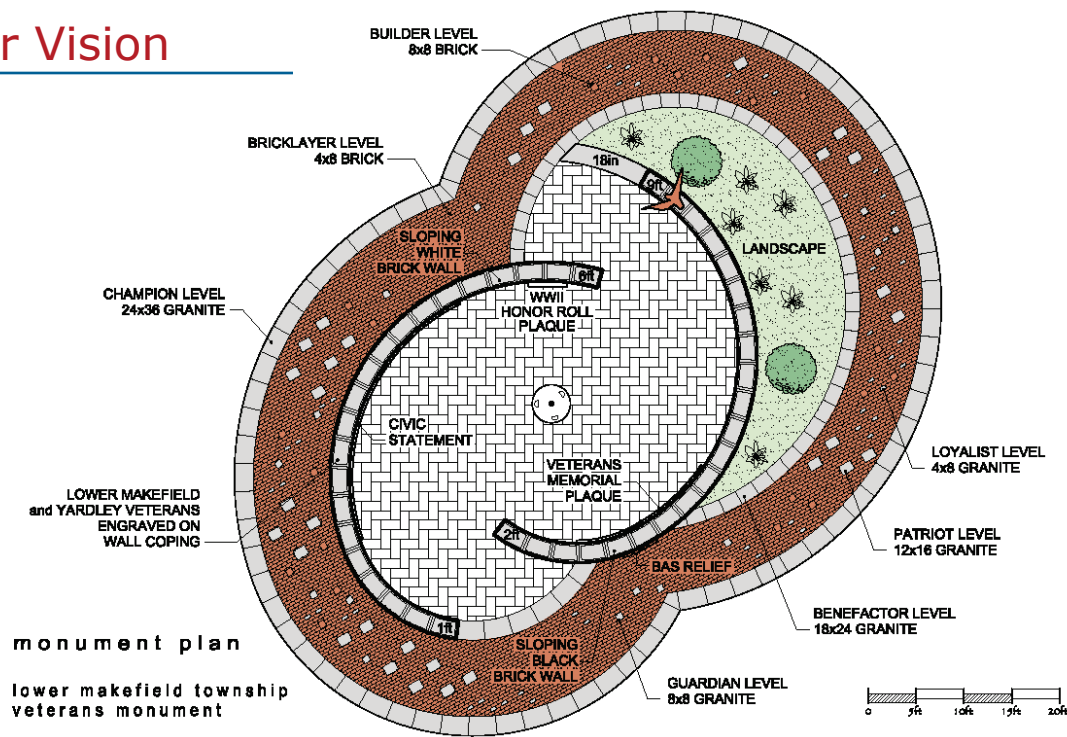

Assisted by Michael Sullivan, Landscape Architect, Clarke Caton Hintz and Jennifer A. Stark, AIA, Architect.

Bronze Eagle Sculpture designed by Robert Girandola.

Veterans Square Park is located on the corner of Edgewood and Heacock Roads in Lower Makefield Township, Pennsylvania

A Community-Driven Non-Profit

Our Vision

Create a gathering place for residents, friends and neighbors to honor veterans within a peaceful park setting.

Located adjacent to a grand oak tree, our American flag is surrounded by black and white walls symbolizing war and peace, and the transformation from darkness to light, sadness to joy.

Atop the black wall rises a life-size bronze eagle representing the emergence of the human spirit from despair to hope for future generations.

Memorialization: Local veterans who gave their lives in service to our country will be memorialized on a bronze plaque within the protective walls of the monument.

Commemoration: Honor a Lower Makefield or Yardley Veteran at no charge by Engraving his/her name on the top of the circular wall which envelopes and protects its citizens. Or purchase a granite or brick paver for any veteran dear to you.

Be a Community Participant: The granite and brick pavers represent the citizens of the community forming the foundation of the monument. Purchase a granite or brick paver with your name, the name of a family member, or your business name.

Honor Roll: A bronze plaque will be re-created honoring the WWII veterans of the Edgewood neighborhood.

Civic Wall: A patriotic, inspirational quote will be inscribed on the interior of the white civic wall.
