RE: CAPRA Standard 8.3, Law Enforcement Officer Training

All police officers employed by the Lower Makefield Township Police Department are certified by the Pennsylvania Municipal Police Officers Training and Education Commission (M.P.O.E.T.C.). This certification encompasses the initial training, required by the Commonwealth, for officers to be statutorily authorized to enforce all criminal and vehicle laws.

Additionally, all officers complete an annual in-service (update) training program developed by the Municipal Police Officers Training and Education Commission.

This memorandum serves as confirmation that all Lower Makefield Township Police Officers have completed the required training and are currently certified as police officers in the Commonwealth of Pennsylvania.

Additional information relating to both initial and in-service training, provided by the M.P.O.E.T.C. can be found at the following sites:
