## FEBRUARY 2026

### PRESIDENT'S MESSAGE

I hope everyone survived the storm last weekend with little difficulty or inconvenience. It has been quite a while since we had a snowstorm the magnitude of what we have just experienced. The challenges of over-exertion removing snow, hazardous driving conditions, and the potential for falls will be with us for a while. The high temperatures for the next few days are not predicted to top the freezing mark, so this snow will be with us for a while.

The weather this past Sunday is a reminder of the dangerous travel conditions we may encounter over the next few months. Keep an emergency kit in your car to be prepared for hazards you may encounter. Check the Pennsbury School District website for closings (also listed as a remote learning day) or delayed openings. The Community Center follows the school district's announcements regarding closures or delays.

As my son and I cleared our sidewalk and driveway and uncovered our vehicles, it was encouraging to see our neighbors with snow blowers cleaning the walks of those that don't have powered snow removal equipment. That cooperation and consideration for others is something we should try to do in all our endeavors.

Winter weather conditions have disrupted our activities at the Community Center, leading to closures, delayed openings, and canceled events. The most recent snowstorm has worsened existing parking challenges. A significant number of our members rely on walkers, canes, or have other mobility issues, making access to the building difficult for them. Past requests by our organization to the Township have resulted in the installation of automatic doors and the placement of temporary handicapped parking spaces during high-attendance days. These changes have been helpful but have not completely solved the parking and access issues. Additional permanent solutions by the Township are unlikely soon.

### ***President's Message...***

In the meantime, there are actions we can take which will make a difference. I am asking for everyone's cooperation and consideration for our less mobile members. If walking is not a problem for you, please park at the far end of the side lot to keep closer spaces available for those who need them. If you have mobility difficulties and find the designated handicapped and other parking near the building is full, park in the driveway by the front doors, come inside, and we will have a member "Valet" park your car. When possible, carpool with other members who are coming to the Community Center for an activity. We are also investigating relocating some of our small group activities to a nearby off-site location. Thank you for your understanding and support as we work through the access challenges at the Community Center.

The new year also requires everyone to renew their membership in our organization. Thank you to those who have paid their 2026 dues. If you have not already done so, please submit your dues along with a membership form listing your current address, preferred phone number, email address and an emergency contact person with a current phone number. Activity coordinators will be checking attendance at their events, against a list of those who have paid their dues by February 1<sup>st</sup>. Since the fee we pay to the Township is based on our membership, we will not continue to carry individuals on our membership role who have not paid their dues by February 1<sup>st</sup>.

Please also note the Community Center will be closed for the President's Day Holiday on Monday, February 16<sup>th</sup>. I hope to see you soon at one of our events. Stay safe and warm.

## NEW ACTIVITIES

### ❖ ***MahJongg.Beginner.Classes***

Because of the popularity of the game plus the wonderful response we had to last year's classes, we are considering having another 6-week program starting in April. This, of course, would be dependent on the number of responses we get. As a reminder, we do not charge for lessons. They are free to LMS members. Non-members would need to sign up and pay the annual LMS membership fee in order to join the classes. If you (or someone you know is interested in learning the game, please send name(s) and contact information to Meryle Borochaner (email: [mimmie121@yahoo.com](mailto:mimmie121@yahoo.com) ).

### ❖ ***Bocce***

Before COVID, Bocce was a popular activity with the seniors. It was played seasonally on the field next to the Center. Several members have expressed a renewed interest in starting this activity

again. There needs to be enough members interested in participating in this activity for us to pursue making it happen. We are looking for those who would be interested. Please send your name and contact

information to Meryle Borochaner (email: [mimmie121@yahoo.com](mailto:mimmie121@yahoo.com)).

## BCHIP FREE PROGRAM

The Bucks County Health Improvement Partnership (BCHIP) is offering a five-session Smoking Cessation Program free to Bucks County residents. The sessions are available either in person or online by Zoom. Details are provided in the attached flyers. Please share with family and friends who may benefit from participation in the program.

## MEET & GREET

Our next Meet & Greet is **Tuesday, February 10<sup>th</sup>** from 10am-12:30pm. Please arrive by 9:45am to sign in.

We will be welcoming Kimberly London from the Bucks County Drug and Alcohol Commission. Among the topics she'll be discussing:

- How Covid has changed the alcohol/drug trend and how it has affected our age group.
- The importance of disposing of expired or discontinued medications and where and when to do so.
- Opiate prescriptions and the importance of having Narcan on hand as well as someone trained in its use.
- Free support resources for those with a loved one struggling with substance abuse.
- Basic signs of substance use disorder.
- Resources available to all Bucks County residents.

There will be a question-and-answer period and free handouts. Hope to see you there. Bring a friend!

We are asking all who attend our Meet & Greet luncheons to bring a non-perishable food item (*including, but not limited to spices and seasonings*). This is completely voluntary and all items will be donated to a local food bank. It is our hope that this will be a continuing and successful program that will help friends and neighbors. Your support would be most appreciated.

## COMEDY CORNER

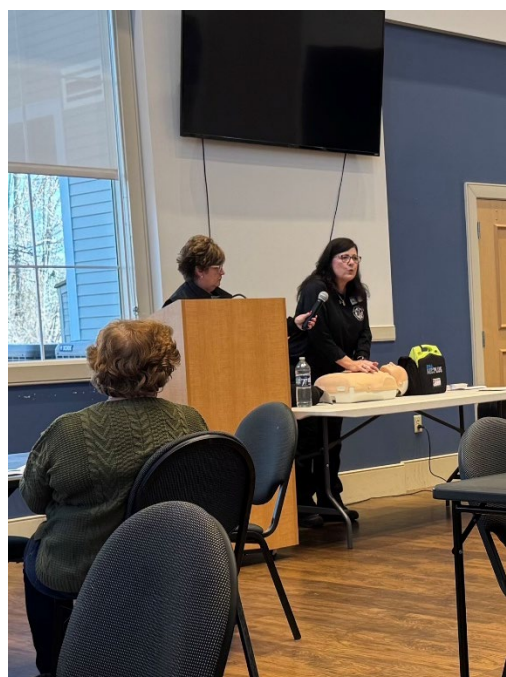

## IN CASE YOU MISSED IT.....

On Tuesday, January 13th, Lower Makefield Seniors held their inaugural Meet & Greet of 2026. The event commenced with the swearing-in ceremony for the new Board of Directors: President Dave Burkhardt, Vice President Meryle Borochaner, Secretary Mark Nemiroff, Treasurer Mary Ann O'Connor, and Directors: Alan Handler, Doreene Kaplan, Andrea Lamantia, Gloria Porcaro, Eric Suber, and Bob Terc.

After the Oath of Office, representatives from the Yardley-Makefield Emergency Unit—Chief Maria Ferrara and Office Manager Ellyn Fisher—addressed the group about their mission to provide top-quality ambulance service and promote health and safety in our community. They discussed when to call 911, how to prepare for emergencies, and the benefits of joining their 2026 Ambulance Subscription Program. The session concluded with a brief CPR demonstration, leaving attendees feeling empowered to potentially save a life.
