

SLATE HILL CEMETERY

2026 GHOST TOUR

OCTOBER 17, 2026

Since 1690, Slate Hill Cemetery has been a center of community for Lower Makefield and Yardley. With over 400 souls buried here, it is a testament to the lasting history of our area.

In honor of our 250th anniversary as a Nation, you will meet residents alive during the revolution. Come hear stories of those who fought, those who supported, and others who chose to conscientiously object.

Spend the evening with your neighbors, learning about those who built this community and nation 250 years ago!
